

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

**IN RE: DA VINCI SURGICAL ROBOT  
ANTITRUST LITIGATION**

Case No. 21-cv-03825-AMO

**SUPERSEDING OMNIBUS ORDER  
RE: SEALING**

Before the Court are the Parties' and Third-Parties' Administrative Motions to Seal, Motions to Consider Sealing Third-Party Materials, Statements in Support of Sealing, Declarations in Support of Sealing, and associated exhibits, at ECF 125, 128, 129, 130, 132, 134, 135, 137, 138, 139, 143, 150, 152, 155, 165, 168, 170, 171, 179, 180, 182, 186, 187. The Court, having carefully considered the submissions, the record, the applicable law, and any arguments related thereto, hereby orders that the Administrative Motions are **GRANTED** in part and **DENIED** in part.

The Court entered an earlier version of this Order that did not fully address all of the pending administrative motions to seal. This Order incorporates and **SUPERSEDES** the Court's Omnibus Order Regarding Sealing dated April 1, 2024.

**LEGAL STANDARD**

Pursuant to Civil Local Rule 79-5, the party seeking to file a document or portions of it under seal must explain "(i) the legitimate private or public interests that warrant sealing; (ii) the injury that will result if sealing is denied; and (iii) why a less restrictive alternative to sealing is not sufficient." Civil L.R. 79-5(c)(1). The request must be "narrowly tailored to seal only the sealable material." *Id.* at 79-5(c)(3).

1 A party seeking to seal records must provide “compelling reasons” to overcome the  
 2 “strong presumption in favor of access.” *Kamakana v. City & Cty. Of Honolulu*, 447 F.3d 1172,  
 3 1178 (9th Cir. 2006); *see Ctr. for Auto Safety v. Chrysler Grp., LLC*, 809 F.3d 1092, 1096 (9th  
 4 Cir. 2016). The standard derives from the “common law right ‘to inspect and copy public records  
 5 and documents, including judicial records and documents.’” *Pintos v. Pac. Creditors Ass’n*, 605  
 6 F.3d 665, 678 (9th Cir. 2010) (quoting *Kamakana*, 447 F.3d at 1178). To overcome this strong  
 7 presumption, the party seeking to seal judicial records must “articulate compelling reasons  
 8 supported by specific factual findings . . . that outweigh the general history of access and the  
 9 public policies favoring disclosure, such as the public interest in understanding the judicial  
 10 process.” *Kamakana*, 447 F.3d at 1178-79 (citations omitted). The party must make a  
 11 “particularized showing” that “specific prejudice or harm will result” if the information is  
 12 disclosed. *Phillips ex rel. Estates of Byrd v. Gen. Motors Corp.*, 307 F.3d 1206, 1210-11 (9th Cir.  
 13 2002).

14 It is in the “sound discretion of the trial court” to determine what constitutes a “compelling  
 15 reason” for sealing a court document. *Ctr. for Auto Safety*, 809 F.3d at 1097 (quoting *Nixon v.*  
 16 *Warner Commc’ns, Inc.*, 435 U.S. 589, 599 (1978)). Compelling reasons justifying sealing court  
 17 records generally exist when such “court files might . . . become a vehicle for improper purposes”  
 18 such as “releas[ing] trade secrets,” *Kamakana*, 447 F.3d at 1179, or “as sources of business  
 19 information that might harm a litigant’s competitive standing,” *Ctr. for Auto Safety*, 809 F.3d at  
 20 1097; *see In re Elec. Arts, Inc.*, 298 F. App’x 568, 569 (9th Cir. 2008) (sealing trade secret  
 21 information about “the pricing terms, royalty rates, and guaranteed minimum payment terms” in  
 22 the parties’ licensing agreement). Records attached to nondispositive motions must meet the  
 23 lower “good cause” standard of Rule 26(c) of the Federal Rules of Civil Procedure, as such  
 24 records “are often unrelated, or only tangentially related, to the underlying cause of action.”  
 25 *Kamakana*, 447 F.3d at 1179-80 (quotations omitted).

## 26 DISCUSSION

27 The Court finds that compelling reasons exist to support the filing under seal of the  
 28 documents or portions thereof listed as “granted” in the following chart and grants the requests to

seal these documents or portions thereof where they appear on the public docket. The Court denies the request to seal any documents or portions thereof (1) listed as “denied” in the following chart or (2) provisionally filed under seal pursuant to Local Rule 79-5(f) because a Party or Third-Party had designated them as confidential or highly confidential under the protective order but that were not included in the below chart because no Party or Third-Party filed a statement or declaration seeking to maintain them under seal pursuant to Local Rule 79-5(f).

The Court appreciates the efforts of counsel to prepare the chart below, including citations to the relevant docket entries. The Court notes that, while it grants sealing many of the documents presented at this stage, it will be disinclined to permit sealing of materials presented in a public trial.

Documents or Portions Thereof that Intuitive Seeks to Maintain Under Seal			
Document or Portion of Document Sought to be Sealed <sup>1</sup>	Evidence offered in Support of Sealing	Objections	Ruling
